## COCKTAILS

### PASSIONFRUIT BELLINI 6.95

Passion fruit, peach and vanilla infused vodka topped with Prosecco

### GIGGLING COSMO 6.95

Dash of vodka, Cointreau and cranberry finished with a good squeeze of lime and topped with Fever Tree spiced orange ginger ale. You won't just have one of these!

### THAI G&T 6.95

Kaffir lime leaf and ginger infused London dry gin topped with chilled tonic water. The flavours work really well together - give it a try.

### MEKHONG MULE 5.95

Mekhong (Thailand's most popular spirit - think rum and whisky combined!) with ginger beer and lots of fresh lime. A Thai twist on a classic. Delicious.

### THAI COCONUT 6.95

Gin and fresh coconut flavoured rum served with Fever Tree ginger ale and a squeeze of lime. Sunshine in a glass!

### STRAWBERRY MOJITO 6.95

Our Thai version using Mekhong, fresh mint, lime and strawberry. We serve it in a tumbler, topped with chunky ice and soda. I'm pretty proud of this one!

## VIRGIN COCKTAILS

### SUMMER BREEZE 4.50

Lovely delicate flavour of lychee with freshly squeezed lime, mint, cucumber and soda. So refreshing. We have this when we are sitting by the pool back home.

### STRAWBERRY COOLER 4.50

We were very excited to discover this combination of flavours. The hint of sweetness from the strawberry goes so well with the fresh mint and lime. Finished with Fever Tree lemonade.

Where possible our cocktails use Fever Tree's naturally light range
